Beginning in March 2015, ICANN began reporting on recently closed CEPs. For CEPs closed prior to those dates, the information presented is estimated. Only those CEPs that are identified as OPEN remain open. The archive of these updates is available at <https://www.icann.org/resources/pages/cep-irp-pending-archive-2014-09-26-en#2017>. When participating in CEPs, organizations sometimes chose to be represented by counsel or other entities.
