Description / Scope: (Based on Annex 12)

Main issues relate to influence of ICANN's existing jurisdiction on the actual operation of policies and accountability mechanisms, primarily disputes involving ICANN, i.e., "choice of law" and "venue", but not necessarily the place of ICANN incorporation. This focus should include:

- Confirming and assessing the gap analysis, clarifying all concerns regarding the multi-layer jurisdiction issue.
- Identifying potential alternatives and benchmarking their ability to match all CCWG-Accountability requirements using the current framework.
