ICANN 51 LA   -   Session

ICANN 52 Singapore -   CCWP established

                           GAC WG

                           Report   by Article19

.

ICANN 53 BA   -   Sessions   (GAC WG, CCWP, meetings with constituencies)

                           Report   by Article19

Why?

"ICANN is bound to operate "for the benefit of the internet community as a whole, carrying out its activities in conformity with relevant principles of international law and applicable international conventions and local law"

- Article 4 of ICANN's Articles of Incorporation

ICANN's policies and operations have the potential to impact human rights

Scope and focus

- UN Guiding Principles on Business and Human Rights

- UN Global Compact

- UN Guiding Principles on Business and Human Right for the ICT Sector

- Not expanding ICANNs mission

Charter / Terms of Reference CCWP

- Raise awareness

- Map policies, procedures and operations that impact human rights

- Provide information, suggestions and recommendations to chartering orgs and ICANN community

- Propose procedures and mechanisms for HR impact assessment

- Develop and explore CSR guidelines that are in place or should be created

- Produce position papers and statements where appropriate
