

## Registries Stakeholder Group Statement

Issue: **Short-Term Options to Adjust the Timeline for Specific Reviews**

Date statement submitted: **31 July 2018**

Reference URL: <https://www.icann.org/public-comments/specific-reviews-short-term-timeline-2018-05-14-en>

### Background<sup>1</sup>

The aim of the short-term options pertaining the ATRT3 is to address the workload of the volunteer community and impact on ICANN resources.

(Note the options initially proposed for the RDS-WHOIS2 review were removed at the request of the RDS-WHOIS2 review team)

---

### Registries Stakeholder Group (RySG) comment:

The RySG welcomes the opportunity to comment on the Short Term Options to Adjust the Timeline of the ATRT3 Review.

	ATRT3 Option A <i>"No change"</i>	ATRT3 Option B <i>"Limited review to implementation of of prior recommendations"</i>	ATRT3 Option C <i>"Commence RT work upon Board action on CCWG-WS2 recommendations"</i>
1st Choice		X	
2nd Choice			X
3rd Choice	X		

### RySG additional comments:

The RySG prefers option B.

With regard to option C, we'd like staff to clarify what happens if or when the Board doesn't take action on the CCWG-WS2 recommendations as scheduled and how this would influence the envisaged start of the Review Team no later than 30 June 2019.
