Adoption of the GNSO Review of GAC Communiqué for submission to the ICANN Board
Submitted by James Bladel
Seconded by Donna Austin

Whereas,

The Governmental Advisory Committee advises the ICANN Board on issues of public policy, and especially where there may be an interaction between ICANN's activities or policies. The GNSO is responsible for developing and recommending to the ICANN Board substantive policies relating to generic top-level domains. The GNSO has expressed a desire to provide feedback to the ICANN Board on issues in the GAC Communiqué as these relate to generic top-level domains to inform the ICANN Board. The GNSO hopes that the input provided through its review of the GAC Communiqué will further enhance the co-ordination and promote the sharing of information on gTLD related issues.

Resolved,
The GNSO Council adopts the GNSO Review of Johannesburg GAC Communiqué (see <https://gnso.icann.org/en/council/review-icann59-gac-communique-28jul17-en.pdf>) and requests that the GNSO Council requests that the GNSO Council Chair also informs the GAC Chair of the communication between the GNSO Council and the ICANN Board.
