Dear Chairs:

As of 30 September 2019, the following members and liaisons of the [Customer Standing Committee](#) (CSC) will complete their term:

Byron Holland (Chair), member
Appointing Organization: ccNSO
Term: 2016 – 2019

Elaine Pruis (Vice-Chair), member
Appointing Organization: RySG
Term: 2016 - 2019

Jeff Bedser, liaison
Appointing Organization: SSAC
Term: 2016 – 2019

James Gannon, liaison
Appointing Organization: GNSO (Non-Registry)
Term: 2016 - 2019

Holly Raiche, liaison

Appointing Organization: ALAC
Mid-Term appointment: 2019 – 2019

Address Supporting Organization: Previously declined electing a liaison in 2018, as it is optional.

We kindly ask that you to initiate your respective organization's processes to appoint members and liaisons to these seats. While members are required, liaison appointments are optional. To ensure that the appointment process is completed in time for the start of the next CSC term, we ask that you notify us of your appointments by 23:59 UTC on 1 August 2019 at csc-eoi@icann.org. If your organization does not wish to appoint a liaison to the CSC, please inform us of this decision by the same deadline date. For your reference and visibility, we are attaching key dates for each step in the overall appointment process.

If your organization will make an appointment, please consult [the CSC Candidate Qualification Requirements](#), and the Expression of Interest form. Please review the expression of interest form to customize the four sections in red where you will list your organization's name; whether you are electing a member or a liaison; and the due date for submissions. Also, the expression of interest form now has a new required privacy statement and link which must be completed by all candidates.

Participation in the CSC is voluntary. The CSC is expected to perform the majority of its work telephonically and via email.

If you have questions or need additional information please do not hesitate to contact me at csc-eoi@icann.org.

Regards,

Amy Creamer
Project Manager
ICANN
