

One World, One Internet

EUROPE

You are invited to a Europe Stakeholder Assembly on:

ICANN Perspectives on EU Digital Initiatives

Elena Plexida
*VP for Government and IGO
Engagement, ICANN*

David Conrad
Chief Technology Officer, ICANN

When:

Wednesday, 27 January 2021 - 16:00 CET / 15:00 UTC

Where:

Online – Via Zoom

Please join David Conrad, Chief Technology Officer, and Elena Plexida, VP for Government and IGO Engagement, for a European regional stakeholder assembly presenting ICANN org reflections on current European Union initiatives, including:

- Digital Services Act (DSA)
- Digital Market Act (DMA)
- Network And Information Security (NIS2) Directive

- EU Cybersecurity Strategy

This interactive webinar is open to all who register and will provide an overview of areas where EU legislative and regulatory initiatives make mention of, or potentially affect, the Domain Name System.

We will present potential impacts on ICANN's mission and technical remit; and invite discussion on how various members of the broader ICANN community and ICANN policy development may be affected.
