Dear CWG:

This letter confirms my acceptance of the CWG’s request that I serve as a CCG Representative for the Names Community, and furthermore, as the CCG co-chair for the Names Community, under the Community Agreement, a form of which is attached hereto as Schedule 1. Capitalized terms used but not defined in this letter have the meaning set forth in the Community Agreement. I will faithfully perform the duties of a CCG Representative and CCG co-chair for the Names Community under the Community Agreement until the earlier of (a) my receipt of written notice from the CWG, or any successor organization acting for the benefit of the Names Community, of my removal from the position of CCG Representative and CCG co-chair, or (b) CWG’s receipt of written notice from me of my resignation from the foregoing roles.

Very truly yours,
