

**AMERICAN BAR ASSOCIATION**  
**SECTION OF INTELLECTUAL PROPERTY LAW**  
**REPORT TO THE HOUSE OF DELEGATES**

**RESOLUTION**

1 RESOLVED, That the American Bar Association supports a right that would legally  
2 compel the disclosure of internet domain name registrant contact information by  
3 any U.S. entity that administers and maintains such contact information, upon  
4 receipt of a notice alleging a legitimate interest based on the registrant's violations  
5 of applicable laws relating to intellectual property protections.
