Project: GNSO Non-PDP Discussion Group - New gTLD Subsequent Rounds - FY15 Planned Start: 7/3/14 Planned Completion: 5/28/15 Printed On: 2/20/15

Projected Start: 8/11/14 Projected Completion: 5/28/15

Interim Chair: Bret Fausett Staff: S. Chan, L. Hoffman

The Discussion Group is to review the first round of the new gTLD program and discuss and reflect upon experiences gained. The Discussion Group is expected to report its findings to the GNSO Council, which may include a list of recommended subjects for future GNSO issue reports that may lead to changes or adjustments for subsequent new gTLD application procedures. Issue reports are a required first step in developing new policies.
