Note: Relevant input documents not already on the starter list may continue to be added by team members.
All additions will be appended to the end of the table unless they clearly fit within an existing category of documents already identified.

"Identified by" indicates who first identified the document as input – in several cases, the same document was suggested more than once.

"Reviewed by" indicates which member of this small team:
- already posted a summary of the document, focusing on portions relevant to Purpose, or
- has volunteered to summarize portions of the document relevant to Purpose.

(?) indicates that the named team member flagged the document as important and hopefully will volunteer to summarize it.

"Status" indicates the summary has been (A)ssigned to the reviewer, (S)ubmitted to the email list, or determined by the team to be (C)omplete.
