do we have a definition of "cultural diversity"?

05/24/2018 08:12:43 AM from Rafik Dammak to All Participants:
it is something that subgroup discussed briefly but was dropped

05/24/2018 08:14:24 AM from Marika Konings to All Participants:
'suggestions' maybe?

05/24/2018 08:15:56 AM from Rafik Dammak to All Participants:
@Marika that is a nice way to say it :)

05/24/2018 08:16:21 AM from Wolf-Ulrich Knoben to All Participants:
Maybe that was part of the recent NomCom review?

05/24/2018 08:18:45 AM from Rafik Dammak to All Participants:
the board itself give input to nomcom every year about the expectation for those to be appointed to the board

05/24/2018 08:25:05 AM from Marika Konings to All Participants:
@Rafik, re. NomCom, I believe that the GNSO is always asked as well to confirm whether previous requirements are still applicable.

05/24/2018 08:27:15 AM from Rafik Dammak to All Participants:
the public comments was concerned with the finding any inconsistencies on recommendations but not for substantive changes

05/24/2018 08:27:31 AM from Rafik Dammak to All Participants:
substantive

05/24/2018 08:28:25 AM from Rafik Dammak to All Participants:
@Marika but I dont think we responded formally in last years?

05/24/2018 08:29:15 AM from Marika Konings to All Participants:
@Rafik - yeah, I don't recall either any updates being made, but of course, the GNSO can also be proactive about this.

05/24/2018 08:30:06 AM from Rafik Dammak to All Participants:
@Marika yes we have to be proactive, getting this as task would be helpful

05/24/2018 08:30:45 AM from Marika Konings to All Participants:
are there any privacy implications of starting to collect and publishing that kind of information?

05/24/2018 08:31:50 AM from Rafik Dammak to All Participants:
I guess it has to comply with the new ICANN privacy policy

05/24/2018 08:32:07 AM from Rafik Dammak to All Participants:
maybe asking the data protection officer?
