Terri Agnew:Welcome Lori Schulman

Terri Agnew:Welcome Kris Seeburn

Kris Seeburn:thanks

Lori Schulman:I have no comment.

Sara Bockey:No comment from me either

Lori Schulman:I am sorry for dialing in 6 mins late. Did Julie mention a target date for the final report?

Julie Hedlund:@Lori -- Not yet, but we'll address that shortly.

Lori Schulman:My experience is like Wolf's Ulrich's. I vetted open calls for consensus on our list and did not get any objections ever.

Sara Bockey:Same. I would occasionally get questions but no objections

Lawrence Olawale-Roberts:I am in support of the outlined process

Kris Seeburn:i would tend to agree...it makes sense

Kris Seeburn:kind of an executive summary

Lawrence Olawale-Roberts:yes that would be welcomed Julie

Kris Seeburn:it would not hurt to inform our community... for information sake....

Lawrence Olawale-Roberts:+1

Lawrence Olawale-Roberts:Yes Wolf I agree to the proposed timeline

Kris Seeburn:i think we have consus calls on the different ones....so i would be tempted not to push for another group consensus again... but i understand...wolf ulrich concern

Kris Seeburn:perhaps the way out... is just highlight consensus carried out

Rafik Dammak:for the motion to council when time comes, I guess I can submit that on behalf of the WG

Kris Seeburn:+1 rafik

Sara Bockey:I'm reluctant to do another group call... everyone has a lot on their plates these days and folks may not be able to review the whole document. I understanding the desire, just not sure how feasible or successful it would be

Lori Schulman:I would like to have the consensus call delayed past August.

Lori Schulman:Most are on vacation in August.

Lori Schulman:And we have the EPDP

Rafik Dammak:people take vacations :)??

Lori Schulman:Rafik, I know it's crazy...but some do...

Lori Schulman:I am also concerned that folks are focused on EPDP and input around that

Sara Bockey:+1 Lori

Rafik Dammak:none

Kris Seeburn:none

Sara Bockey:None

Sara Bockey:thanks all

Rafik Dammak:thanks all

Lori Schulman:Thanks folks. Happy summer and speedy PDPing.
