Michael Karanicolas
Philip Corwin
Susan Payne

## Guest:

Aditya Singh-Asian International Arbitration Centre Kuala Lumpur Office

## Audio Only:

None

## Apologies:

Carrie Shang

## Staff:

Ariel Liang
Berry Cobb
Julie Hedlund
Andrea Glandon

## AC Chat:

Andrea Glandon:Welcome to the RPM Sub Team for URS Providers call held on Wednesday, 13 June 2018 at 12:00 UTC.
Kathy Kleiman 2:Hi All, It's Kathy joining.
Andrea Glandon:Welcome, Kathy!
Kathy Kleiman 2:I did not see them either.
Susan Payne:I'm a little concerned that we don't really have a quorum for this meeting. There are 10
members of this group (excluding Phil and Kathy). We have 2 of us present
Susan Payne:make that 3 as Jultine is back
Ariel Liang:https://urldefense.proofpoint.com/v2/url?u=https-

Andrea Glandon:Apologies, I believe I missed Susan Payne during the roll call.
Michael Karanicolas:This is the same time as the last call on the 30th... isn't it?
Kathy Kleiman 2:I had the same understanding -
Julie Hedlund:@Phil: It was announced last week that the providers would cover the provider responses, and also Prof. Tushnet's research if time.
Julie Hedlund:@Michael -- we picked this time in order to make it easier for providers from APAC could join.
Michael Karanicolas:@Julie - Understood. Which seems reasonable to me.

Susan Payne:I am not happy to make decisions about the treatment of Rebecca'sresearch with so few people present. We could go through the provider responses, particularly the ones from ADNDC (who I thinkk are the ones on the call??)
Kathy Kleiman 2:Was Berry (or someone else) working on correlation of Harvard research to Provider questions?
Kathy Kleiman 2:about 5 or 6 questions?
Susan Payne:I understand Ariel, but a lot opf people's schedules are booked up far in advance of 1
week
Susan Payne:we mostly have the 1700 slot blocked out, but not necessarily other times of day
Michael Karanicolas:I think we should just stick to the agenda as circulated
Michael Karanicolas:If people don't show up - they don't show up.
Justine Chew:+1 Susan. Perhaps we should just run through ADNDRC's responses and see if we need to ask for clarification?
Andrea Glandon:Asian International Arbitration Centre ("AIAC")
Susan Payne:Michael, the poiunt is there's not even agreement on what the agenda is.
Justine Chew:I haven't had enough time to run through all the responses. Perhaps we should run through the doc on screen -- light orange boxes in 2nd column for ADNDRC
Susan Payne:This is what I was expecting: 1. Review agenda2. Begin reviewing the responses
from URS Providers and considering how best to use the relevant URS data3. AOB
Andrea Glandon:Aditya Singh Asian International Arbitration Centre ("AIAC")
Kathy Kleiman 2:Is Aditya on speaker?
Kathy Kleiman 2:If so, it might be clearer to speak directly into the phone.
Kathy Kleiman 2:We'll need the providers who have done URS cases... in ADNDRC.
Kathy Kleiman 2:+1 Phil
Justine Chew:HK
Kathy Kleiman 2:Carrie from HK?
Kathy Kleiman 2:Do we know what that means?
Philip Corwin:Just lost my audio--back in a minute
Ariel Liang:Yes, Carrie is unable to join the call today
Justine Chew:Carrie Shang, HKIAC
Susan Payne:thanks Justine
Kathy Kleiman 2:And Phil, Carrie Shang is who joined us in San Juan.
Michael Karanicolas:Sounds fine to me
Ariel Liang:Staff are capturing questions/comments on the side and are happy to incorporate/highlight these areas on the spreadsheet
Justine Chew:I believe Rules say that only the Notice of Complaint has to be issued in hardcopy Susan Payne:thanks yes, that's my understanding
Kathy Kleiman 2:4.2 Within 24 hours after receiving Notice of Lock from the Registry Operator, the URS Provider shall notify the Registrant of the Complaint ("Notice of Complaint"), sending a hard copy of the Notice of Complaint to the addresses listed in the Whois contact information, and providing an electronic copy of the Complaint, advising of the locked status, as well as the potential effects if the Registrant fails to respond and defendURS-4against the Complaint. Notices must be clear and understandable to Registrants located globally. The Notice of Complaint shall be in English and translated by the Provider into the predominant language used in the Registrant's country or territory.
Kathy Kleiman 2:4.3 The Notice of Complaint to the Registrant shall be sent through email, fax (where available) and postal mail. The Complaint and accompanying exhibits, if any, shall be served electronically.

Justine Chew:Right. So the contents of the 2-pager is transposed into the last green column entitled Additional Notes?
Susan Payne:@Justine - yes
Justine Chew:Thanks!
Justine Chew:URS Tech Requirements - Registry Requirement 6 at top of page 4 has interesting responses --- 3 yes's for ADNDRC versus 3 no's for MFSD.
Susan Payne:yep
Kathy Kleiman 2:Ariel: can you highlight this section with the question Phil just raised about what the rules require re: full filings?
Ariel Liang:Yes, staff are capturing notes on the side
Ariel Liang:and we will do highlighting after the call
Kathy Kleiman 2:Tx!
Kathy Kleiman 2:good ques
Kathy Kleiman 2:good points
Susan Payne:I understand the Forum have. But agree we should have a formal response to this from both
Susan Payne:re GDPR/Doe complaint
Kathy Kleiman 2:and highlight this question as a whole...
Kathy Kleiman 2:better put, tx Susan: the details of the trademark.
Susan Payne:@Phil - speak for yourself re calling it a morning phil :) 2.20pm here (looking forward to a late lunch) and very late for Justine
Justine Chew:9.20pm for me
Justine Chew:Still not as bad as 1am and 4am calls!
Justine Chew:Best answer from MFSD again! :)
Kathy Kleiman 2:Tx you, Phil!!!
Justine Chew:What was the question that staff wanted the sub-team to consider and answer again out
of this exercise?
Kathy Kleiman 2:good idea
Kathy Kleiman 2:Can we bill ICANN for our time?
Kathy Kleiman 2:lol!
Kathy Kleiman 2:It's incredible - tx you all!
Michael Karanicolas:I'll take the suggestion to the Auction Proceeds working group.
Kathy Kleiman 2:hear hear!
Justine Chew:Fine with me
Justine Chew:Thanks Phil, thanks all.
Jonathan Agmon:Thank you
Ariel Liang:thanks everyone
