

Additional Data Related to TMCH Sunrise & Trademark Claims Review

IMPORTANT INSTRUCTION

This form is used by RPM Working Group members to submit additional data related to the TMCH Sunrise and Trademark Claims review. The additional data may either: (1) yield useful data the Working Group do not currently have, or (2) be other specific, evidence-based information that, in either case, can help shed light on the agreed Charter questions for Sunrise and Trademark Claims.

- The Trademark Claims and Sunrise sub teams will review the additional data submitted to determine whether it is useful in answering the agreed Charter questions.
- Additional data submitted not using the required form will not be in order and will not be discussed.
- Please provide your email address below in order to receive a copy of your submitted responses.
- Once the form is submitted, it is final and responses cannot be edited.
- All submissions will be displayed publicly via an automatically-generated Google Spreadsheet. Email addresses will not be displayed.
- The final date for submission of member proposals is COB on Friday, 08 February 2019. Any submission received after that date will not be in order and will not be discussed.
- If you have issue accessing the online form, please contact ariel.liang@icann.org to request assistance. A .doc version of form will be provided upon request.

Consent & Authorization

By submitting my personal data, I agree that my personal data will be processed in accordance with the ICANN Privacy Policy (<https://www.icann.org/privacy/policy>), and agree to abide by the website Terms of Service (<https://www.icann.org/privacy/tos>).

Please provide your name *

If this submission is jointly developed by more than one Working Group member, please write the full names of all members involved.

Your answer

Please provide the title(s) of the source(s) *

You may include multiple sources in answering this question. Examples of the source include: • articles about the registration of domains in Sunrise Periods (or attempts) that appear to have had an impact on contracted parties, registrants, or brand owners; • anecdotes or specific evidence from impacted parties; or • studies, reports, or articles discussing the harm of infringement including cybersquatting (including consumer harm).

Your answer

Please provide the link(s) of the source(s) *

Your answer

Please highlight the specific information the source(s) is being cited for *

Specific information may include new data or evidence-based conclusion

Your answer

In respect to which particular agreed Sunrise and/or Trademark Claims Charter Question(s) is this specification information relevant? *

A full list of agreed Sunrise Charter Questions can be downloaded here: <https://goo.gl/knQa2p>; a full list of agreed Trademark Claims Charter Questions can be downloaded here: <https://goo.gl/FeAJpa>

Your answer

Why and how is this specification information relevant to each of the agreed Sunrise and/or Trademark Claims Charter Question(s) you have cited above? *

Your answer

(Optional) What solution and/or idea would you like to suggest to address the specification information you have cited above?

Your answer

A copy of your responses will be emailed to the address you provided.
