## 3 General Information

CSC meetings are conducted regularly, in principle once per month as PTI performance reports are produced monthly. Additional meetings can be scheduled when needed. The CSC mailing list is used for information sharing, discussions and decision- making.

The Chair of the CSC will send out, or have the CSC Secretariat send out, a draft agenda one week before each scheduled CSC meeting. The agenda will contain the following items:

- Apologies for absence

- Any other business
- Next meeting

As soon as the draft agenda is send to the CSC, the Secretariat will publish the draft agenda and the available, related documents on the CSC webpage/wiki accordingly. Closer to the meeting additional background material will be circulated, for example the PTI reports.

The definite agenda will be determined at the meeting, however, items added after publication of the draft agenda may only be discussed: they shall not be decided at the meeting. The notes of the meeting will record the definite agenda as established at the meeting.

## **5 CSC meeting**

### **5.1 Definition**

A CSC meeting may be face-to-face or a conference call, or other means the CSC considers appropriate.

### **5.2 Quorum**

A CSC meeting is quorate if 3 (three) Members are present at the meeting. The notes will state if the meeting was quorate, or, if only quorate for a part of the meeting, state which items of business were quorate and which were not.

### **5.3 Record of attendance**

The notes of a meeting will record the names of the Members and Liaisons who are present at the meeting.

Members or Liaisons not present will be recorded as absent. If a Member or Liaison has notified the CSC, the Chair of the CSC or the Secretariat of their absence before the start of the meeting, she or he will be recorded as absent with apologies.

The list of attendees will be included in the notes of the meeting and separately published on the CSC website.

## **6 Notes and Decisions**

### **6.1 Decision-making**

#### **6.1.1 Quorum**

Only a quorate CSC meeting may take decisions. If a meeting is not quorate, a decision may be discussed, but no decision taken and decisions will be taken on-line or deferred to the next (quorate) meeting.

If a meeting is only quorate for a part, decisions should be taken during the period the meeting was quorate.

If a meeting is not quorate

#### **6.1.2 Decision-making at a meeting**

In addition to the quorum rule, CSC decisions will be taken using the following procedure:

For a decision to be taken it must be approved by at least 3 Members present, unless another threshold is required either by the ICANN Bylaws, or by the CSC itself prior to the decision making.

In taking its decisions, developing its work plan and any of its reports, the CSC shall seek to act by consensus. Consensus calls should always make best efforts to involve all (appointed members and liaisons).

- Firstly, the Chair of the meeting will call for discussion of a proposed decision. If a proposed decision is changed as a result of the discussion, the Chair will ensure the correct recording of the final decision.
- The Chair will also note any abstentions or declarations of a conflict of interests.

The Chair shall be responsible for designating whether a decision has one of the following :

- a) Full Consensus - a position where no minority disagrees; identified by an absence of objection
- b) Consensus – a position where a small minority disagrees, but most, including 3 of the Members agree

In the absence of Full Consensus, the Chair should allow for the submission of minority viewpoint(s) and these, along with the consensus view, shall be included in the report.

In the notes the proposer of the decision are recorded.

The notes will also note the level of support for a decision , if not unanimous. In the event of abstentions or objection, the name of the Member or Liaison abstaining or objecting will be recorded in the notes and the Chair will offer this person the opportunity to express her/his concerns.

### **6.1.3 Decision-making by email**

When the CSC needs to take a decision by email, the Chair or the CSC secretariat will send out the proposed decision to all members and liaisons using the CSC email list. The email will include the decision and the date and time by which a decision is needed, which will be at least 3 working days after sending the email, unless agreed otherwise prior to sending out the decision. An email decision is considered adopted if:

- None of the Members or Liaisons raises objections by the date and time included in the email, or  
In case at least one person raises an objection, by a majority vote in support of the decision. If a Member or Liaison raises questions or an objection, the email vote will be extended for another 5 business days.

Alternative: A majority of the membership concurs / approves, including at least 3 Members by the date and time included in the email.

The decision by email will be recorded in the agenda of the first CSC meeting following the decision.

## **6.2 Numbering and publication of Notes and Decisions**

The numbering of notes and decision follows the numbering of the CSC meetings.

If, for instance, a CSC meeting is held where no decisions are taken, the next decision's number will remain the same as the number of the meeting. Sub-numbers are then given to each decision item that is passed. E.g. Meeting 1, decision 1 will have the decision number 1.1 and so on.

All decisions adopted by the CSC (whether at a meeting or by email) will be published as soon as possible after they have been approved, preferably within 24 hours. The decisions will be published on the CSC website.

## **6.3 Recording of Discussions**

The notes will reflect only those remarks which are considered to be relevant to understand the decisions, thread of the discussion and action items. The notes will refer to a verbatim recording of the proceedings of the meeting, if such a recording has been made. The notes and recording will be made publicly available via the CSC website/ wiki space.

## **7 Action Items**

The notes will reflect the action items flowing from the meeting, and the description will include a brief description of the action item, whom is responsible for completion and the due date.

The format for the numbering of the action items starts with the number of the meeting, the year. The items will be sub-numbered action 01, Action 02 and so on. Action items are published separately online.

## **8 Approval of the Notes and Amendments**

The secretariat will send notes of a meeting to the CSC email list as soon as possible after the meeting is closed. Members and liaisons of the CSC will be given an opportunity to propose amendments to the notes within one week after posting. If no comments are received, the notes will be considered adopted by the CSC.

In the event amendments to the draft notes are proposed the Chair will determine whether the proposed amendments will be included in the notes and secondly whether the amended notes will be considered approved or need to be resent again to the CSC for approval.

## **9 CSC email lists, Website**

The CSC will have a dedicated email list, which shall be maintained by the Secretariat and updated according to the instructions of the CSC. This email list shall be open to observers: <http://mm.icann.org/pipermail/icann-csc>
