Meeting Notes

The GP discussed the following agenda items:

1. **Preparation for next F2F meeting of Latin GP.** The GP planned to hold the F2F meeting to finalize the repertoire and the variant analysis. It was agreed to be held for 3 days during the 22-26 January 2018 in ICANN Istanbul Regional Office.

2. **Preparation for ICANN 60.**
   - Discussion on presentation on introduction of Latin GP:
     - On page 5, it was discussed that inclusion based methodology that is currently used by GP is appropriate. The GP selected the shot-listed languages and including the code points which are used by these languages. It was not expected the GP to go through all code points and determine which languages use them.
     - It was agreed to remove the text "for attestation" from the last bullet.
   - Discussion on presentation on variant analysis:
     - On page 1, in Scope, elaborate which scripts from MSR-2 will be used for analysis.
     - On page 1, in Principle, insert the text to include the study process in the first bullet
     - On page 2, try to add an example for Normalization Exception case
   - The presentation on repertoire will be circulated for comment via the Latin GP mailing list.
   - It was requested that all presenters submit the updated presentations by 6 October.
