

Implementation Agents

Guidelines

- ⦿ RDS-WHOIS2 Approved Terms of Reference (under AoC)

The review team shall identify one or two review team members to remain available for clarification as may be needed during the planning phase of implementation of review team recommendations.

- ⦿ Operating Standards (Draft version)

When leading the implementation, ICANN organization shall cooperate closely with the review team's appointed 'recommendation shepherd' as well as the wider community. This includes providing timely updates on progress, highlighting roadblocks, and working to confirm that the implementation reflects the intention of the review team.
