Answers (8)		
could go back and check what someone said when i had not understood		
I understood the presenters better especially those for whom English is a 1st language and speak very fast		
catch up what was said and I missed		
I could join w/ low bandwidth and answered my doubts on terminology		
helps you to understand what is being said-especially when the audio is unclear		
accessing any missed info		
Catch up what I might have missed or misunderstood.		
Easy for taking notes on the call when people speak too quickly for my typing		

Ev 4. Where else do you think Capti required?	ioning should	be	
─ Working Groups,		60%	(6)
☐ Task Forces,		20%	(2)
Adhoc groups,		20%	(2)
RALO Calls,		20%	(2)
☐ ALAC Calls,		20%	(2)
CCWG Calls,		60%	(6)
Other constituencies		30%	(3)
☐ All of the above		50%	(5)

also good for reporting the confe	rence call
What was the cost for the caption	ing?
Would weigh staff transcribing vs.	. this system
Captioning was very helpful! Than	k you!
Can we have this captioning for the significantly	e rest of our calls? It will help us
