

**CCWG-Accountability Work Stream 2
Jurisdiction Subgroup, Meeting #39
July 26, 2017, 19:00 UTC
Decisions, Action Items and Requests**

17 participants at start of call.

Decisions:

- Lack of choice of law in the ICANN registrar agreements and in the GTLD registry agreements should remain on the draft issues list with the understanding that the Subgroup may decide not to pursue these.

Action Items:

- Staff – Re-Distribute to the Subgroup list the original contributions from ICANN Legal regarding the choice of law in the registry and registrar agreements (COMPLETED 26 July)

Requests:

- Subgroup is requested to work on the issues using the list prior to the next meeting.
