

Invitation to join the #Internet4All campaign

Considering the next World Economic Forum that will take place in Kigali on the 11-13 May with a spirit based on the country's traditional culture: "Umuganda" (coming together in common purpose to achieve an outcome), the Africa 2.0 Foundation and its partners are inviting you to join them in the **#Internet4all** campaign. This campaign aims at gathering key stakeholders in the ICT field in order to defend the idea of an Internet as a basic right for all and facilitate all actions towards an affordable Internet access.

Thus, and according to your commitment in promoting a sustainable development through the digital economy, we are requesting the authorization to add you on the list of signatories besides other distinguished persons such as:

- Mrs Graça Machel, Founder of **The Graça Machel Trust**, *Co-Chair World Economic Forum on Africa 2016*
- Bineta Diop, Founder and President of **Femmes Africa Solidarité**
- Mamadou Kwidjim Toure, Founder of **Africa 2.0**, *Young Global Leader*
- Netsanet Belay, On behalf of **Amnesty International**
- Isaac Fokuo Jr. On behalf of the **African Leadership Network**
- Kumi Naidoo, Executive Director, **African Civil Society Centre**, *Young Global Leader*

Africa2.0 is an advocacy group for developing and implementing strategies to produce positive outcomes for millions of Africans. We have 600+ members, 34 chapters across the world, 85,000 followers, and we created 8000 start-up Africa Jobs within 5 years of existence.

Africa 2.0 serves also as:

1. A voice for the civil society across Africa and respected interlocutor with regional, pan-African and international organizations.
2. A source of inspiration for leadership and enabling force supporting the emergence of young leaders
3. A driving force and active promoter of the Africa 2020 vision among decision makers, media, and Corporate Africa.
4. An active agent for a faster, stronger, deeper regional integration
5. A partner of choice working closely with other organizations (Multilaterals, NGO etc) to increase coordination as well as accelerate the development of Africa.

We recently joined the Non-Commercial Stakeholder Group of ICANN community in order to contribute on the non-commercial issues related to a better Internet in Africa and worldwide.
