Dear Ican,

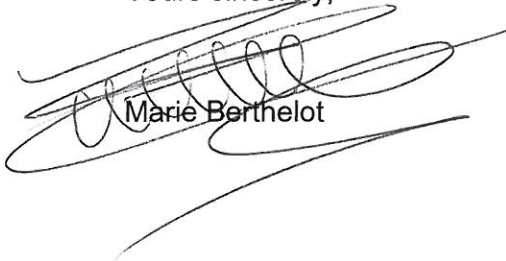

We have had feedbacks from the registrars regarding the .PARIS RRA. They have suggested some changes to the RRA, requesting a more balanced agreement regarding the liability and longer notification times for changes to the registry policies and prices.

We have considered these feedbacks and decided to make some amendments to the RRA regarding the liability clause (10), the personal data clause (6.6), the acceptance of registration policies clause (6.7.1) and the amount clause (7.1). We have also added a paragraph to the zone files clause (6.5.3)

We hereby submit the revised RRA to your approval.

Please do not hesitate to contact me for any further information.

Yours sincerely,

Marie Berthelot
