stating the country, constituent entity, district, postal code, community (city, village, etc.), street (avenue, passage), street number (plot), building, apartment

freely, knowingly and willfully and in my own interest grant consent to the processing of my personal data to the following persons (hereinafter referred to as the "Operators") for the purpose of registration and/or renewal of the registration of domain names in the .ДЕТИ domain in my name, as well as servicing them in the future:

- Smart Internet Foundation (Main State Registration Number 1127799003056, registered in the Russian Federation, 123242, Moscow, 8 Zoologicheskaya Str.)
- Closed-end joint stock company «Technical Center of Internet» (Main State Registration Number 1097746536117, registered in the Russian Federation, 123242, Moscow, 8 Zoologicheskaya Str.)
- Internet Corporation for Assigned Names and Numbers incorporated by law of the State of California, USA, 12025 Waterfront Drive, Suite 300, Los Angeles, CA 90094-2536, USA
- *[Registrar's full company name, registration number and its place of registration address; Other entities can also be stated].*

The envisaged circle of users of my personal data includes the Operator's employees, officers of regulatory, controlling and supervisory government bodies, as well as contractors of the said Operators and their employees (such as data escrow agents, organizations involved in maintaining and servicing the registry and the registration system, registry operators appointed by ICANN and/or temporary and/or emergency registry operators, an auction services provider etc.), as well as other persons exercising their powers in accordance with ICANN's requirements and the applicable law.

The Operators and their contractors (such as data escrow agents, organizations engaged in maintenance and servicing the registry and registration system, appointed by ICANN registry operators and/or temporary and/or emergency backend registry operators, an auction services provider, etc.) may carry out with or without automation any actions (operations) or series of actions (operations) with my personal data, including, but not limited to, collecting, recording, classifying, accumulating, storing, detailing, updating, changing, supplementing, extracting, using, transferring (including transborder transfers), providing, accessing, depersonalizing, blocking, deleting and destroying such data.

The Operators and their contractors (such as data escrow agents, organizations engaged in maintenance and servicing the registry and registration system, appointed by ICANN registry operators and/or temporary and/or emergency backend registry operators, etc.) may process the following personal data:

- Full name
- Number and issuance data of the main ID document
- Telephone and fax numbers
- Permanent residence address (registration)
- Postal address
- Email address

The Operators may also use my personal data for statistical and analytical purposes without disclosing them. The Operators may disclose, make publicly available as well as distribute my impersonalized personal data while providing the Whois or equivalent services, except for where I use Privacy or Proxy Service (as described by ICANN in the Specification on Privacy and Proxy Registrations - <https://www.icann.org/resources/unthemed-pages/approved-with-specs-2013-10-31-ru#privacy-proxy>), because in above case the Contact information of the relevant service supplier, not my personal data, is displayed in Whois or equivalent services.

This consent to personal data processing shall remain effective for an indefinite period and may be withdrawn by submitting a written application for withdrawal of consent to the registrar(s) servicing by domain name(s).

The application for withdrawal of consent may be executed in a free format.
