To Whom it May Concern at ICANN:

Attached, please find a redline version and an amended version of the STARTING DOT .ARCHI RRA. These documents reflect changes requested by various registrars and refer to:

- (i) Changes in Exhibit B of the .ARCHI RRA, to reduce the Domain Name Initial and Renewal Registration Fees from 44 EUR (fourty-four Euros) to 36 EUR (thirty-six Euros). This pricing better corresponds to current market activity;
- (ii) Changes in Exhibit B of the .ARCHI RRA, to remove the Premium Name Annual Fee in order to facilitate and simplify the buying process for premium names for Registrars and Registrants;
- (iii) Revert language of the .ARCHI Domain Name Policy found in Exhibit C of the .ARCHI RRA to its previous form to be in compliance with Specification 12 of the .ARCHI Registry Agreement.

Please contact us if you have any further questions.

Sincerely,

Godefroy Jordan p/o Ismini Rigopoulou
