If required by ICANN, Registrar also agrees, at its expense, to provide an interactive web page and a port 43 ~~Whois~~WHOIS service providing free public query-based access to up-to-date data concerning all active Registered Names sponsored by Registrar for the Registry TLD. Registration terms will be for a fixed period.

3.26 URS.

3.26.1 WHOIS Compliance. Upon receipt of a URS determination in favor of the complainant, Registrar shall continue to display all of the information of the original Registrant except for the nameservers. In addition, Registrar shall cause the WHOIS to reflect that the domain name will not be able to be transferred, deleted or modified for the life of the registration.

3.26.2 Registration Extension. Registrar shall offer the successful URS complainant the option to extend the registration period for one additional year at commercial rates.

3.26.3 Other Remedies. Registrar shall not pursue other remedies in the event of a determination in favor of the complainant.

in fees for initial registrations, renewal registrations, or fees for registrations associated with transfers of sponsorship

4.1.1 Revision of Registration Fees. Notwithstanding the provisions of Section 4.1 above, the following additional notice requirements shall apply:

4.1.1.1 Initial Registrations. With respect to changes in fees for initial domain name registrations for which Dominion Registries is required to provide thirty (30) days' prior notice to Registrar per the terms of the Registry Agreement, in the event that Dominion Registries desires to effect such fee changes more than two (2) times in any calendar year, Dominion Registries shall provide 180 days' notice of any such additional change;

4.1.1.2 Fees for Other Services. With respect to services provided to Registrar hereunder other than initial registrations, renewal registrations or transfers of sponsorship ("Other Services"), Dominion Registries shall provide 180 days' prior notice of any change in fees.

4.1.14.1.2 Registrar agrees that Dominion Registries, in its sole discretion, may retain a portion or the entirety of any Registration Fees for domain name registration applications even in the event that such applications do not satisfy Dominion Registries' registration requirements.

4.1.24.1.3 In addition, Registrar agrees to pay Dominion Registries the applicable variable fees assessed to Dominion Registries by ICANN, as permitted by Section 6.3 of the Registry Agreement, by no later thirty (30) days after the date of an invoice from Dominion Registries for such fees.

4.2 Payment of Dominion Registries Fees. In advance of incurring any Registration Fees, Registrar shall establish a Deposit Account, Credit Facility, or Payment Security acceptable to Dominion Registries, which acceptance will not be unreasonably withheld so long as payment is assured. In the case of a Deposit Account, all Registration Fees are due immediately upon receipt and, in the case of a Credit Facility or Payment Security, Registration Fees will be billed in arrears, for initial and renewal Registered Name registrations, or upon provision of other services provided by Dominion Registries to Registrar. In the case of a Deposit Account, all Registration Fees are due immediately upon receipt of Dominion Registries' monthly invoices and, in the case of a Credit Facility or Payment Security, all Registration Fees will be due and payable in arrears, as invoiced. In order to satisfy any outstanding account balances, Dominion Registries may draw upon the Registrar's Credit Facility or Payment Security. If this occurs, Registrar shall replenish the Credit Facility or Payment Security to (at least) the pre-draw level immediately upon completion of draw. If Registrar's Credit Facility or Payment Security is depleted, registration of domain names for the Registrar will be suspended and new registrations will not be accepted until the Credit Facility or Payment Security, as applicable, is replenished in

accordance with the foregoing. Dominion Registries' performance under this Agreement is subject to, and conditioned in all respects upon, the timely payment by Registrar of all fees owing to Dominion Registries under this Section 4. In the event Registrar has insufficient funds deposited with Dominion Registries, and Registrar fails to pay its fees within thirty (30) days of receipt of a past due notice, Dominion Registries may: (i) stop accepting new initial, renewal or transferred registrations from Registrar; (ii) give written notice of termination of this Agreement pursuant to Section 8; and (iii) pursue any other remedy under this Agreement or otherwise at law or in equity.

4.4 Taxes. All Fees due under this Agreement are exclusive of tax. All taxes, duties, fees and other governmental charges of any kind (including sales, turnover, services, use and value-added taxes, but excluding taxes based on the net income of Dominion Registries) that are imposed by or under the authority of any government or any political subdivision thereof on the fees for any services, software and/or hardware shall be borne solely by Registrar and shall not be considered a part of, a deduction from or an offset against such fees. All payments due to Dominion Registries shall be made without any deduction or withholding on account of any tax, duty, charge or penalty except as required by law, in which case the sum payable by Registrar from which such deduction or withholding is to be made shall be increased to the extent necessary to ensure that, after making such deduction or withholding, Dominion Registries receives and retains (free from any liability with respect thereof) a net sum equal to the sum it would have received but for such deduction or withholding being required.

4.5 Credit Facility or Payment Security. The terms of the Credit Facility or Payment Security shall be determined by Dominion Registries, in its sole discretion, in a separate policy provided to Registrar and may be amended from time to time with no less than thirty (30) ~~days~~days' written notice to Registrar.

4.7 Charges for ICANN Fees. Registrar agrees to pay to Dominion Registries, within thirty (30) days of the date when due, any variable registry-level fees payable by Dominion Registries to ICANN, which fees may be secured by the Payment Security, if applicable, and which fees shall be calculated pursuant to Section 6.3 of Dominion Registries' Registry Agreement with ICANN or such other Variable Registry-Level Fee provision adopted by ICANN. Dominion Registries shall not be required to provide Registrar with any advance notice of any increase in variable registry-level fees payable by Registrar hereunder.

If necessary to effect the intent of the Parties, the Parties shall negotiate in good faith to amend this Agreement to replace the unenforceable language with enforceable language that reflects such intent as closely as possible.
