.COM REGISTRY-REGISTRAR AGREEMENT: SUMMARY OF PROPOSED REVISIONS

Section	Revised Language	Explanation
Title	.COM Registry-Registrar Agreement (5 July 2012)	Placeholder for new date
Preamble	This Registry-Registrar Agreement (the "Agreement") is entered into by and between VeriSign, Inc., a Delaware corporation, with a place of business located at 12061 Bluemont Way, Reston, VA 20190, and its wholly owned subsidiaries, including VeriSign Information Services, Inc. (" VIS ") Sarl and VeriSign Naming and Directory Services LLC ("VNDS LLC") (collectively, "Verisign"), and _____, a _____, with its principal place of business located at _____ ("Registrar"), through their authorized representatives, and takes effect on the date executed by the final Party (the "Effective Date"). Verisign and Registrar may be referred to individually as a "Party" and collectively as the "Parties."	Modification to reflect the 2013 merger of VeriSign Information Services, Inc. into VeriSign, Inc. as the successor in interest and the addition of VeriSign Sarl as a listed subsidiary
Section 1.9	<u>"Registered Name Holder(s)" means the holder(s) of a Registered Name.</u>	Definition added to define a previously referenced (but undefined) term
Section 1.10	<u>"Registrar Accreditation Agreement" means that certain Registrar Accreditation Agreement between Registrar and ICANN pursuant to which ICANN has accredited Registrar to act as a registrar for one or more TLDs.</u>	Definition added to define a previously referenced (but undefined) term
Section 1.13 [formerly Section 1.11]	The "System" refers to the multiple registrar-shared registration system operated by Verisign for registration of Registered Names in the Registry TLD.	Definition updated to replace legacy terminology with Verisign's Shared Registration System (or "SRS")

Section 2.5	<p>Data Submission Requirements. As part of its registration and sponsorship of Registered Names in the Registry TLD, Registrar shall submit complete data as required <u>or permitted:</u> <u>(a) by Verisign’s Registry Agreement with ICANN, as may be amended from time to time; and/or (b) by technical specifications of the System that are made available to Registrar by Verisign from time to time (collectively the “Required Data Elements”).</u> Registrar shall submit any corrections or updates from a Registered Name Holder relating to the registration information for a Registered Name to Verisign in a timely manner.</p>	Section updated to clarify the scope of data submission requirements and achieve consistency with the Registrar License Grant in Section 2.6
Section 2.6	<p>License. Registrar grants Verisign as Registry a non-exclusive, royalty-free, nontransferable <u>(except to ICANN or its designee pursuant to Verisign’s Registry Agreement with ICANN)</u> worldwide limited license to the data elements consisting of the Registered Name, the IP addresses of nameservers, the identity of the registering registrar, and other data <u>Required Data Elements: (a) for use as</u> required or permitted by technical specifications of the Registry System as made available to Registrar by Verisign from time to time for propagation of and the provision of authorized access to the TLD zone files or as otherwise; and/or (b) for use and display as required or permitted by Verisign's Registry Agreement with ICANN concerning the operation of the Registry TLD, as may be amended from time to time.</p>	Section updated to clarify the scope of Registrar’s license to Verisign
Section 2.7(a)	<p>Registrar’s Registration Agreement and Domain Name Dispute Policy.</p> <p><u>(a)</u> Registrar shall have in effect ana <u>valid and enforceable</u> electronic or paper registration agreement with the each Registered Name Holder which may be amended from time to time by Registrar, provided a copy is made available to Verisign. Registrar shall provide a copy of Registrar's registration agreement upon request for same by Verisign. Registrar shall include in its registration agreement those terms required by this Agreement and other terms that are consistent with Registrar's obligations to Verisign under this Agreement. Registrar shall employ in its domain name registration business the Uniform Domain Name Dispute Resolution Policy and the Inter-Registrar Transfer Policy, each as adopted by the ICANN Board on 26 August 1999 and 7 November 2008 and as each may be amended from time to time. In its</p>	Section modified to clarify that the Registrar’s registration agreement with each Registered Name Holder must be valid and enforceable
Section 2.7(b)(i)	<p><u>(b)</u> <u>Registrar’s</u> registration agreement with each Registered Name Holder, registrar shall require such</p>	Subsection added to align with Appendix 11 (Public Interest

	<p><u>Registered Name Holder to shall also include the following:</u></p> <p><u>(i) a provision prohibiting the Registered Name Holder from distributing malware, abusively operating botnets, phishing, pharming, piracy, trademark or copyright infringement, fraudulent or deceptive practices, counterfeiting or otherwise engaging in activity contrary to applicable law and providing (consistent with applicable law and any related procedures) consequences for such activities, including suspension of the registration of the Registered Name;</u></p>	<p>Commitments) obligations of the proposed Amendment 3 to the .COM Registry Agreement</p>
Section 2.7(b)(ii)	<p><u>(ii) a provision that requires the Registered Name Holder to acknowledge and agree that Verisign reserves the right to deny, cancel, redirect or transfer any registration or transaction, or place any domain name(s) on registry lock, hold or similar status, as it deems necessary, in its unlimited and sole discretion: (1) to comply with specifications adopted by any industry group generally recognized as authoritative with respect to the Internet (e.g., RFCs), (2) to correct mistakes made by Verisign or any Registrar in connection with a domain name registration, or (3) for the non-payment of fees to Verisign, and (4) to protect against imminent and substantial threats to the security and stability of the Registry TLD, System, Verisign's nameserver operations or the internet, (5) to ensure compliance with applicable law, government rules or regulations, or pursuant to any legal order or subpoena of any government, administrative or governmental authority, or court of competent jurisdiction, and/or (6) to stop or prevent any violations of any terms and conditions of this Agreement, the Operational Requirements, or pursuant to Verisign's Registry Agreement with ICANN; and</u></p>	<p>Subsection modified to enumerate additional mechanisms for enforcement consistent with other registry operators</p>
Section 2.7(b)(iii)	<p><u>(iii) a provision requiring the Registered Name Holder to indemnify, defend and hold harmless Verisign and its subcontractors, and its and their directors, officers, employees, agents, and affiliates from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses arising out of or relating to, for any</u></p>	<p>Subsection modified for grammatical consistency</p>

	<p>reason whatsoever, the Registered Name Holder's domain name registration. The registration agreement shall further require that this indemnification obligation survive the termination or expiration of the registration agreement.</p>	
<p>Section 2.8</p>	<p>Secure Connection.</p> <p>(a) Registrar agrees to develop and employ in its domain name registration business all necessary technology and restrictions to ensure that its connection to the System is secure. All data exchanged between Registrar's system and the System shall be protected to avoid unintended disclosure of information. Registrar shall employ commercially reasonable measures to prevent its access to the Registry System granted hereunder from being used to (i) allow, enable, or otherwise support the transmission by e-mail, telephone, or facsimile of mass unsolicited, commercial advertising or solicitations to entities other than its own existing customers; or (ii) enable high volume, automated, electronic processes that send queries or data to the systems of Verisign, any other registry operated under an agreement with ICANN, or any ICANN-accredited registrar, except as reasonably necessary to register domain names or modify existing registrations <u>in accordance with any Operational Requirements.</u></p> <p>(b) Each EPP session shall be authenticated and encrypted using two-way secure socket layer ("SSL") protocol. Registrar agrees to authenticate every EPP client connection with the System using both an X.509 server certificate issued by a commercial Certification Authority identified by the Registry and its Registrar password, which it shall disclose only to its employees with a need to know. Registrar agrees to notify Registry within four (4) hours of learning that its Registrar password has been compromised in any way or if its server certificate has been revoked by the issuing Certification Authority or compromised in any way.</p> <p>(c) Upon prior written notification to Registrar, Verisign may require other industry standard security provisions, practices or technology to ensure that the Registry System is secure and stable, which Verisign may adopt from time to time in its sole and complete discretion.</p>	<p>Section modified to add subsections, correct use of a defined term and clarify the applicability of Operational Requirements</p>
<p>Section 2.8.2</p>	<p>Authorization Codes. Registrar shall not provide identical Registrar-generated authorization <authinfo> codes for</p>	<p>Section modified to correct use of</p>

	<p>domain names registered by different registrants <u>Registered Name Holders</u> with the same Registrar. Verisign in its sole discretion may choose to modify <authinfo> codes for a given domain and shall notify the sponsoring registrar of such modifications via EPP compliant mechanisms (i.e., EPP<poll> or EPP<domain:Info>). Documentation of these mechanisms shall be made available to Registrar by Verisign. The Registrar shall provide the Registered Name Holder with timely access to the authorization code. <u>Registrar shall respond to any inquiry by a Registered Name Holder regarding access to and/or modification of an authorization code</u> along with the ability to modify the authorization code within five (5) calendar days.</p>	<p>defined term and to clarify process around authorization codes consistent with the existing terms in the .net Registry-Registrar Agreement</p>
Section 2.9	<p>Domain Name Lookup Capability. Registrar agrees to employ in its domain name registration business Verisign's registry domain name lookup capability to determine if a requested domain name is available or currently unavailable for registration. Registrar also agrees, at its expense, to provide an interactive web page and a port 43 Whois service <u>a Registration Data Directory Service</u> providing free public query-based access to up-to-date (i.e., updated at least daily) data concerning all active Registered Names sponsored by Registrar for the Registry TLD. The data accessible shall consist of elements that are designated from time to time according to an ICANN adopted specification or policy or the Registrar Accreditation Agreement between Registrar and ICANN.</p>	<p>Section modified to include updated terminology for Registration Data Directory Service</p>
Section 2.10	<p>Transfer of Sponsorship of Registrations. Registrar agrees to implement transfers of Registered Name registrations from another registrar to Registrar and vice versa <u>or from one Registered Name Holder to another</u> pursuant to the Inter-Registrar Transfer Policy as may be amended from time to time by ICANN (the "Transfer Policy").</p>	<p>Section modified to reflect recent updates to ICANN's Transfer Policy</p>
Section 2.13	<p>Resolution of Technical Problems or Breach of Agreement. Registrar agrees to employ necessary employees, contractors, or agents with sufficient technical training and experience to respond to and fix all technical problems concerning the use of the Supported Protocol, the APIs and the systems of Verisign in conjunction with Registrar's systems. Registrar agrees that in the event of significant degradation of the System or other emergency, or upon Registrar's violation of Operational Requirements or breach of this Agreement, Verisign may, in its sole discretion, temporarily suspend or restrict access to the System. Such temporary suspensions or restrictions shall be applied in a nonarbitrary <u>non-arbitrary</u> manner and shall apply fairly to any registrar similarly situated.</p>	<p>Section modified to correct a typographic error</p>

Section 2.14	<p>Prohibited Domain Name Registrations. In addition to complying with ICANN standards, policies, procedures, and practices limiting domain names that may be registered, Registrar agrees to comply with applicable statutes and regulations limiting the domain names that may be registered. <u>Registrar further acknowledges and agrees that Verisign reserves the right to deny, cancel, redirect or transfer any registration or transaction, or place any domain name(s) on registry lock, hold or similar status, as it deems necessary, in its unlimited and sole discretion, for the purposes set forth in Section 2.7(b)(ii) of this Agreement.</u></p>	Section modified to add Registrar acknowledgement and agreement corresponding to the Registered Name Holder's acknowledgement and agreement in Section 2.7(b)(ii)
Section 2.15	<p>ICANN Requirements. Verisign's obligations hereunder are subject to modification at any time as the result of ICANN-mandated requirements and, <u>including</u> consensus policies. Notwithstanding anything in this Agreement to the contrary, Registrar shall comply with any such ICANN requirements in accordance with the timeline defined by ICANN.</p>	Section modified for grammatical clarity
Section 2.16	<p>Accredited Registrar. During the term of this Agreement, Registrar shall maintain in full force and effect <u>the Registrar Accreditation Agreement and</u> its accreditation by ICANN as a registrar for the Registry TLD.</p>	Section modified to reference the Registrar Accreditation Agreement
Section 3.2	<p>Limitations on Use. Notwithstanding any other provisions in this Agreement, except with the written consent of Verisign, Registrar shall not: (i) sublicense the Licensed Product or otherwise permit any use of the Licensed Product by or for the benefit of any party other than Registrar, (ii) publish, distribute or permit disclosure of the Licensed Product other than to employees, contractors, and agents of Registrar for use in Registrar's domain name registration business, (iii) decompile, reverse engineer, copy or re-engineer the Licensed Product for any unauthorized purpose, (iv) use or permit use of the Licensed Product in violation of any federal, state or local rule, regulation or law, or for any unlawful purpose. Registrar agrees to employ the necessary measures to prevent its access to the System granted hereunder from being used to (i) allow, enable, or otherwise support the transmission by e-mail, telephone, or facsimile of mass unsolicited, commercial advertising or solicitations to entities other than Registrar's customers; or (ii) enable high volume, automated, electronic processes that send queries or data to the systems of Verisign, <u>any other registry operated under an agreement with ICANN,</u> or any ICANN-Accredited Registrar, except as reasonably necessary to register domain names or modify existing registrations <u>in accordance with any Operational Requirements.</u></p>	Section modified to clarify Limitations on Use

Section 5.1(a)	Registrar agrees to pay Verisign the non-refundable fees set forth in Exhibit A <u>A, or such other amount as may be established in accordance with the notice provision set forth in Section 5.1(b) below, for</u> initial and renewal registrations and other incidental and ancillary services provided by Verisign (collectively, the "Registration Fees").	Section modified to cross-reference Section 5.1(b) and to reflect that fees may be updated
Section 5.1(d)	The Registration Fees due under this Agreement are exclusive of tax. All taxes, duties, fees and other governmental charges of any kind (including <u>business, levy,</u> sales, turnover, services, use and value-added taxes, but excluding taxes based on the net income of Verisign) which are imposed by or under the authority of any government or any political subdivision thereof on the fees for any services, software and/or hardware shall be borne by Registrar and shall not be considered a part of, a deduction from or an offset against such Registration Fees. All payments due to Verisign shall be made without any deduction or withholding on account of any tax, duty, charge or penalty except as required by law, in which case, the sum payable by Registrar from which such deduction or withholding is to be made shall be increased to the extent necessary to ensure that, after making such deduction or withholding, Verisign receives and retains (free from any liability with respect thereof) a net sum equal to the sum it would have received but for such deduction or withholding being required.	Section modified to add business and levy taxes to the non-comprehensive list of taxes, duties and fees in response to prior Registrar inquiries
Section 6.1(c)	Termination at Option of Registrar. Registrar may terminate this Agreement at any time by giving Verisign thirty (30) days' notice of termination.	Section modified to correct typographical error
Section 6.1(h)	Survival. In the event of termination of this Agreement, the following shall survive: (i) Sections 2.6 (License), 2.7 (Registrar's Registration Agreement and Domain Name Dispute Policy), 2.8.1 (Handling of Personal Data), 6.1(g) (Effect of Termination), 6.1(h) (Survival), 6.2 (No Third Party Beneficiaries; Relationship of the Parties), <u>6.5 (Amendment in Writing),</u> 6.6 (Attorneys' Fees), 6.7 (Dispute Resolution; Choice of Law; Venue), 6.8 (Notices), 6.10 (Use of Confidential Information), 6.11 (Delays or Omissions; Waivers), 6.12 (Limitation of Liability), 6.13 (Construction), 6.14 (Intellectual Property), 6.15(c) (Disclaimer of Warranties), 6.16 (Indemnification), and 6.17 (Entire Agreement; Severability); (ii) the Registered Name Holder's obligations to indemnify, defend, and hold harmless Verisign, as stated in Section 2.7(ab)(6iii); and (iii) Registrar's payment obligations as set forth in Section 5 with respect to fees incurred during the term of this Agreement. Neither Party shall be liable to the other for damages of any sort resulting solely from terminating this Agreement in accordance with its	Section modified to update cross reference, to include standard survival provisions consistent with the existing terms in the .net Registry-Registrar Agreement, and to remove liability language so that it is addressed solely in Section 6.12
