Re: Revision to proposed amendments to .INFO Registry-Registrar Agreement

To Whom It May Concern:

On 18 December 2019, Afilias submitted a cover letter and a proposed update to the .INFO Registry Registrar Agreement (the "RRA") pursuant to the RRA Amendment Procedure.

Afilias has received a request that the revisions to the notice provisions of the .INFO RRA be further revised to include a notification period for registry fee changes on renewals. Accordingly, Afilias hereby submits an update to the proposed .INFO RRA, which now contains the following section:

4.1.1.2 **Renewal Registrations.** With respect to changes in fees for renewal domain name registrations, Afilias shall provide 180 days notice of any such change per the terms of the Registry Agreement; and

Other than the above noted change, the attached .INFO RRA redline remains as previously proposed.

Respectfully yours,

Scott Hemphill
General Counsel
