2. OBLIGATIONS OF THE PARTIES

- 2.1. ~~**System Operation and Access.** Throughout the term of this Agreement, UNR shall operate the System and provide Registrar with access to the System to transmit domain name registration information for the UNR Supported TLDs to the System. Nothing in this Agreement entitles Registrar to enforce any agreement between or among UNR, any third-party registry operator, and ICANN.~~

- ~~2.2. **Maintenance of Registrations Sponsored by Registrar.** Subject to the provisions of this Agreement, ICANN requirements, and UNR requirements, including, without limitation, those authorized by ICANN, UNR shall maintain the registrations of Registered Names sponsored by Registrar in the System during the term for which Registrar has paid the fees required under this Agreement.~~
- ~~2.3. **Distribution of EPP, APIs and Software.** No later than three (3) business days after the Effective Date of this Agreement, UNR shall make available to Registrar (i) full documentation of the Supported Protocol, (ii) application program interfaces ("APIs") to the Supported Protocol with documentation, and (iii) reference client software ("Software") that will allow Registrar to develop its system to register second level domain names through the System for the UNR Supported TLDs. If UNR elects to modify or upgrade the APIs and/or Supported Protocol, UNR shall provide updated APIs to the Supported Protocol with documentation and updated Software to Registrar promptly as such updates become available. Unless Emergency Circumstances require a shorter time period, UNR shall provide commercially reasonable notice of any changes to the System in order to provide Registrar time and opportunity to implement any modifications or upgrades; no advance notice of a modification or upgrade shall be required if UNR maintains backwards compatibility with existing Registrar operations.~~
- ~~2.4. **Registrar Responsibility for Customer Support.** Registrar is responsible for all initial support for Registered Name Holders with Registered Names registered through Registrar. In providing this customer support, Registrar shall provide (i) support to accept orders for registration, cancellation, modification, renewal, deletion or transfer of Registered Names and (ii) customer service (including domain name record support) and billing and technical support to Registered Name Holders. Registrar shall provide to Registered Name Holders emergency contact support information for critical situations such as domain name hijacking.~~
- ~~2.5. **Data Submission Requirements.** As part of its registration and sponsorship of Registered Names in the UNR Supported TLDs, Registrar shall submit complete data as required by technical specifications of the System that are made available to Registrar from time to time. Registrar shall submit any corrections or updates from a Registered Name Holder relating to the registration information for a Registered Name to UNR in a timely manner. Registrar shall also abide by the additional terms in the Addendum.~~
- ~~2.6. **Data Subject Rights.** The Parties understand and agree that the Registered Name Holder may be considered a Data Subject per the Addendum. Whenever the Registered Name Holder wishes to exercise their rights, per section 8 of the Addendum, and requests a direct action on the Shared Personal Data by UNR as a Controller ("the Request"), the Registrar understands and agrees that UNR will first defer to the Registrar to act on the Request, as part of the Registrar's contractual relationship with the Registered Name Holder. To that end, UNR will forward the Request to the Registrar by e-mail upon receipt thereof ("the Deferment"). As part of the Deferment, the Registrar agrees to confirm to UNR in writing that it has taken care of the Request. Should the Registrar fail to perform the Request diligently and within five (5) business days of the Deferment, UNR will first ask that the Registrar confirms that the Request does originate from the Registered Name Holder and, upon confirmation, take care of the Request providing that the Registrar still cannot perform the Request.~~

~~2.7. **License.** Registrar grants UNR as Registry a non-exclusive, royalty free, nontransferable worldwide limited license to the data elements consisting of the Registered Name, the Registered Name Holder's contact data for the Whois database, the IP addresses of nameservers, the identity of the registering registrar, and other data required or permitted by technical specifications of the Registry System as made available to Registrar by UNR from time to time, solely for propagation of and the provision of authorized access to the TLD zone files or as otherwise required or permitted by UNR's Registry Agreement with ICANN concerning the operation of the UNR Supported TLDs, as may be amended from time to time.~~

~~2.8. **Registrar's Registration Agreement and Domain Name Dispute Policy.** Registrar shall have in effect an electronic or paper registration agreement with the Registered Name Holder or its authorized representative, which may be amended from time to time by Registrar. Registrar shall provide a copy of Registrar's registration agreement, or the URL at which it can be viewed, to UNR upon request. Registrar shall include in its registration agreement those terms required by this Agreement and other terms that are consistent with Registrar's obligations to UNR under this Agreement.~~

~~In its registration agreement with each Registered Name Holder, Registrar shall require such Registered Name Holder to: (a) acknowledge and agree that UNR reserves the right to deny, cancel or transfer any registration or transaction, or place any domain name(s) on registry lock, hold or similar status, as it deems necessary, in its unlimited and sole discretion: (i) to correct mistakes made by UNR or any Registrar in connection with a domain name registration, or (ii) for the non-payment of fees to UNR; and (b) indemnify, defend and hold harmless UNR and its subcontractors, and its and their directors, officers, employees, agents, and affiliates from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses arising out of or relating to, for any reason whatsoever, the Registered Name Holder's domain name registration. The registration agreement shall further require that this indemnification obligation survive the termination or expiration of the registration agreement.~~

~~Registrar shall contractually require Registered Name Holders to comply with UNR's Acceptable Use policies and Terms of Service, as they may be updated from time to time and published on the UNR website specific to the UNR TLD for the Registered Name, and consistent with UNR's Registry Agreement with ICANN.~~

~~Registrar shall inform Registered Name Holders that Personal Data about the Registered Name Holder is shared with UNR during the registration process and stored for the purposes of maintaining the domain registration as per Section 2.2. Registered Name Holder shall be able to exercise its Data Subject Rights in accordance with section 2.6.~~

~~Registrar shall contractually require Registered Name Holders to comply with all ICANN consensus policies applicable to Registered Name Holders, including (i) the Uniform Domain Name Dispute Resolution Policy ("UDRP"), as adopted by the ICANN Board of Directors on August 26, 1999; and (ii) the Inter-Registrar Transfer Policy, as adopted by the ICANN Board of Directors on November 12, 2004; and (iii) such other ICANN consensus policies as ICANN publishes on its website and makes applicable to UNR, Registrar or Registered Names Holders.~~

~~For convenience, Registrar may link to, or copy and include in its own agreement the text on, the mandated contractual language at <http://UNR.link/Terms-of-Service->~~

~~2.9. **Registrar Notification of Changes.** UNR will provide Registrar with notice via EPP poll message within thirty (30) minutes of any cancellation, transfer, or other change made to any registration by UNR that was not initiated by Registrar.~~

~~2.10. **Secure Connection.** Registrar agrees to develop and employ in its domain name registration business all necessary technology and restrictions to ensure that its connection to the System is secure. All data exchanged between Registrar's system and the System shall be protected to avoid unintended disclosure of information. Registrar shall employ commercially reasonable measures to prevent its access to the Registry System granted hereunder from being used to (i) allow, enable, or otherwise support the transmission by e-mail, telephone, or facsimile of mass unsolicited, commercial advertising or solicitations to entities other than its own existing customers; or (ii) enable high volume, automated, electronic processes that send queries or data to the systems of UNR, any other registry operated under an agreement with ICANN, or any ICANN-accredited registrar, except as reasonably necessary to register domain names or modify existing registrations. Each EPP session shall be authenticated and encrypted using two-way Transport Layer Security ("TLS") protocol. Registrar agrees to authenticate every EPP client connection with the System using both a certificate issued by either a commercial Certification Authority identified by UNR or by UNR itself and its Registrar client identifier (clid) and password, which it shall disclose only to its employees with a need to know basis. Registrar agrees to notify Registry within twenty-four (24) hours of learning that its Registrar password has been compromised in any way or if its server certificate has been revoked by the issuing Certification Authority or compromised in any way. Upon commercially reasonable prior written notification to Registrar, UNR may require other industry standard security provisions, practices or technology to ensure that the Registry System is secure and stable, which UNR may adopt from time to time in its reasonable discretion.~~

~~2.10.1. **Handling of Personal Data.** UNR shall take reasonable steps to protect Personal Data from loss, misuse, unauthorized disclosure, alteration or destruction. UNR shall not use or authorize the use of Personal Data in a way that is incompatible with the notice provided to registrars. UNR may from time to time use the demographic data collected for statistical analysis, provided that this analysis will not disclose individual Personal Data and provided that such use is compatible with the notice provided to registrars regarding the purpose and procedures for such use. UNR may from time to time contact the Registered Name Holder directly, including pursuant to Section 6.7 below, for purposes related to the administration, service, or use of a Registered Name. UNR may from time to time contact the Registered Name Holder directly in conjunction with its ICANN or UNR compliance efforts. UNR may from time to time contact the Registered Name Holder directly with information about the Registered Name and related or future registry services. Except for circumstances related to a termination under Section 6.7 below, UNR shall never use Personal Data of a Registered Name Holder, acquired under this Agreement, (a) to contact the Registered Name Holder with a communication intended or designed to induce the Registered Name Holder to change Registrars or (b) for the purpose of offering or selling non-registry services to the Registered Name Holder. Notwithstanding the foregoing, nothing in this Agreement shall prevent UNR or its related companies from offering or selling products or services to Registered Name Holders who are known to UNR because of existing customer relationships or who are identified through independent mechanisms.~~

~~2.10.2. **Authorization Codes.** Registrar shall not provide identical Registrar-generated authorization <authinfo> codes for domain names~~

registered by different registrants with the same Registrar. Documentation of these mechanisms shall be made available to Registrar by UNR. The Registrar shall provide the Registered Name Holder with timely access to the authorization code along with the ability to modify the authorization code in accordance with the Transfer Policy (as defined below):

- 2.11. ~~**Domain Name Lookup Capability.** Registrar agrees to employ in its domain name registration business UNR's registry domain name lookup capability to determine if a requested domain name is available or currently unavailable for registration.~~
- 2.12. ~~**Transfer of Sponsorship of Registrations.** Registrar agrees to implement transfers of Registered Name registrations from another registrar to Registrar and vice versa pursuant to the Inter-Registrar Transfer Policy as may be amended from time to time by ICANN (the "Transfer Policy").~~
- 2.13. ~~**Time.** Registrar agrees that in the event of any dispute concerning the time of the entry of a domain name registration into the registry database, the time shown in the UNR records shall control.~~
- 2.14. ~~**Compliance with Operational Requirements.** Registrar shall comply with each of the following requirements, and further shall include in its registration agreement with each Registered Name Holder, as applicable, an obligation for such Registered Name Holder to comply with each of the following requirements: (a) ICANN standards, policies, procedures, and practices for which UNR has monitoring responsibility in accordance with the Registry Agreement or other arrangement with ICANN; and (b) Operational standards, policies, procedures, and practices for the UNR Supported TLDs established from time to time by UNR in a non-arbitrary manner and applicable to all registrars ("Operational Requirements"), including affiliates of UNR, and consistent with UNR's Registry Agreement with ICANN, as applicable, upon UNR's notification to Registrar of the establishment of those terms and conditions.~~
- 2.15. ~~**Compliance with Marketing Guidelines.** Registrar shall comply with UNR's marketing and branding guidelines for the UNR Supported TLDs, as set forth in Appendix C or as updated from time to time upon commercially reasonable notice.~~
- 2.16. ~~**Data Integrity and Accuracy.** Registrar shall provide UNR with full and complete contact details for all Registered Name Holders through the mechanisms specified in the Operational Requirements, regardless of whether privacy-protected data elements are published for purposes of Whois.~~
- 2.17. ~~**Resolution of Technical Problems or Breach of Agreement.** Registrar agrees to employ reasonably necessary employees, contractors, or agents with sufficient technical training and experience to respond to and fix all technical problems concerning the use of the Supported Protocol, the APIs and the systems of UNR in conjunction with Registrar's systems. Registrar agrees that in the event of significant degradation of the System or other emergency, or upon Registrar's breach of this Agreement, UNR may, in its sole discretion, temporarily suspend or restrict access to the System. Such temporary suspensions or restrictions shall be applied in a nonarbitrary manner and shall apply fairly to any registrar similarly situated.~~
- 2.18. ~~**Prohibited Domain Name Registrations.** In addition to complying with ICANN standards, policies, procedures, and practices limiting domain names that may be registered, Registrar agrees to comply with applicable UNR's terms, public statutes and regulations limiting the domain names that may be registered.~~

~~2.19. **ICANN Requirements.** UNR's obligations hereunder are subject to modification at any time as the result of ICANN-mandated requirements and consensus policies. Notwithstanding anything in this Agreement to the contrary, Registrar shall comply with any such ICANN requirements in accordance with the timeline defined by ICANN.~~

~~2.20. **Accredited Registrar.** During the term of this Agreement, Registrar shall maintain in full force and effect its accreditation by ICANN as a registrar for the UNR Supported TLDs.~~

~~2.21. **Regular Communications.** During the term of this Agreement, UNR may, in compliance with ICANN regulations, need to update its policies. Registrar shall consult the Console regularly to acknowledge any change announced by UNR. Such changes will also be announced by e-mail and shall be deemed accepted by the Registrar within sixty (60) days of postage.~~

~~3. LICENSE~~

~~3.1. **License Grant.** Subject to the terms and conditions of this Agreement, UNR hereby grants Registrar and Registrar accepts a non-exclusive, royalty-free, nontransferable, worldwide limited license to use for the term and purposes of this Agreement the Licensed Product, as well as updates and redesigns thereof, to provide domain name registration services in the UNR Supported TLDs only and for no other purpose. The Licensed Product, as well as any updates and redesigns, will enable Registrar to provide all services in the UNR Supported TLDs.~~

~~3.2. **Limitations on Use.** Notwithstanding any other provisions in this Agreement, except with the written consent of UNR, Registrar shall not: (i) sublicense the Licensed Product or otherwise permit any use of the Licensed Product by or for the benefit of any party other than Registrar or its authorized resellers, (ii) publish, distribute or permit disclosure of the Licensed Product other than to employees, contractors, and agents of Registrar for use in Registrar's domain name registration business, (iii) decompile, reverse engineer, copy or re-engineer the Licensed Product for any unauthorized purpose, (iv) use or permit use of the Licensed Product in violation of any federal, state or local rule, regulation or law, or for any unlawful purpose. Registrar agrees to employ the necessary measures to prevent its access to the System granted hereunder from being used to (i) allow, enable, or otherwise support the transmission by e-mail, telephone, or facsimile of mass unsolicited, commercial advertising or solicitations to entities other than Registrar's customers; or (ii) enable high volume, automated, electronic processes that send queries or data to the systems of UNR or any ICANN Accredited Registrar, except as reasonably necessary to register domain names or modify existing registrations.~~

~~3.3. **Changes to Licensed Materials.** UNR may from time to time replace or make modifications to the Licensed Product licensed hereunder. Unless Emergency Circumstances require a shorter notice period, UNR will provide Registrar with commercially reasonable notice prior to the implementation of any changes to the Supported Protocol, APIs or software licensed hereunder. Information on the change will be made available through the Console.~~

~~4. SUPPORT SERVICES~~

4.1. ~~**Engineering Support.** UNR agrees to provide Registrar with reasonable engineering telephone support to address engineering issues arising in connection with Registrar's use of the System. Such support for Emergency Circumstances shall be available 24x7x365.~~

4.2. ~~**Customer Service Support.** During the term of this Agreement, UNR will provide reasonable telephone, web-based and e-mail customer service support exclusively to Registrar for nontechnical issues solely relating to the System and its operation. UNR will provide Registrar with a telephone number and e-mail address for such support during implementation of the Supported Protocol, APIs and Software. First-level telephone support will be available on a 7 day/24 hour basis. The Customer Service Support obligations in this Section does not extend to Registered Name Holders or prospective customers of Registrar; customer service and support to Registered Name Holders and prospective customers of Registrar are the exclusive obligation of Registrar.~~

~~5. FEES~~

5.1. ~~**Registration Fees.** Registrar agrees to pay UNR the non-refundable fees set forth in the Fee Schedule available through the Console (the "Registration Fees"). UNR reserves the right to adjust the Registration Fees, provided that any renewal price increase shall be made only upon notice consistent with UNR's Registry Agreement with ICANN. Current prices and effective dates of price increases always will be found in the Registrar section of the UNR website.~~

5.2. ~~**Variable and Tiered Registration Fees.** For UNR Supported TLDs in which the Registration Fees include tiered or variable pricing, Registrar must (a) use the designated EPP extension for determining the proper registration price for a particular domain name; and, (b) clearly and conspicuously inform the Registered Name Holder of, and acquire its consent to, the initial and renewal price of such domain name.~~

5.3. ~~**Registration Fees for Registered Names in the URS System.** Registrar must accept and process payments for the renewal of a domain name by a URS Complainant in cases where the URS Complainant prevailed. Registrar must not renew a domain name to a URS Complainant who prevailed for longer than one year.~~

5.4. ~~**Security Check or Payment Security.** Registrars shall either (a) pass a financial credit and security check, to UNR's satisfaction, that meets the financial requirements specified in UNR's Accreditation Policy; or (b) provide UNR a payment security comprised of an irrevocable letter of credit or cash deposit or credit card (the "Payment Security"). The amount of the Payment Security establishes Registrar's credit limit in the UNR System and should be based on anticipated monthly level of registrations and other billable transactions. Registrar agrees to modify its Payment Security to support increases in billable transaction volumes as required by the UNR credit and billing policies. UNR will invoice Registrar monthly in arrears for each month's Registration Fees.~~

5.5. ~~**Fees Due.** All Registration Fees are due immediately upon receipt of UNR's monthly invoices. UNR will invoice Registrar after the end of each calendar month for Fees due. Each invoice will detail each UNR TLD and the Fees due for each UNR TLD. In order to satisfy any outstanding account balances, UNR may draw upon the Registrar's Payment Security. If this occurs, Registrar agrees to replenish Payment Security to the pre-draw level immediately upon completion of draw. If Registrar's~~

Payment Security is depleted, registration of domain names for the Registrar will be suspended and new registrations will not be accepted until the Payment Security is replenished.

- 5.6. ~~**Taxes.** The Registration Fees due under this Agreement are exclusive of tax. All taxes, duties, fees and other governmental charges of any kind (including sales, turnover, services, use and value-added taxes, but excluding taxes based on the net income of UNR) which are imposed by or under the authority of any government or any political subdivision thereof on the fees for any services, software and/or hardware shall be borne by Registrar exclusively and shall not be considered a part of, a deduction from or an offset against such Registration Fees. All payments due to UNR shall be made without any deduction or withholding on account of any tax, duty, charge or penalty except as required by law, in which case, the sum payable by Registrar from which such deduction or withholding is to be made shall be increased to the extent necessary to ensure that, after making such deduction or withholding, UNR receives and retains (free from any liability with respect thereof) a net sum equal to the sum it would have received but for such deduction or withholding being required.~~
- 5.7. ~~**Change in Registrar Sponsoring Domain Name.** Registrar may assume sponsorship of a Registered Name Holder's existing domain name registration from another registrar by following the Transfer Policy. UNR will allow and support bulk transfer to Registrar, at no charge, and without extension of the registration term. (a) For each transfer of the sponsorship of a domain name registration under the Transfer Policy, Registrar agrees to pay UNR the renewal registration fee associated with a one-year extension, as set forth in the Registration Fees (defined in Section 5.1 above). The losing registrar's Registration Fees will not be refunded as a result of any such transfer. (b) For a transfer approved by ICANN under Part B of the Transfer Policy, Registrar agrees to pay UNR US \$0 (for transfers of 50,000 names or fewer) or US \$50,000 (for transfers of more than 50,000 names). Fees under this Section 5.2 shall be due immediately upon receipt of UNR's invoice pursuant to the Payment Security.~~
- 5.8. ~~**Charges for Variable Registry Level ICANN Fees.** If ICANN exercises its right under Section 6.3 of UNR's Registry Agreements with ICANN to collect variable registry level fees, Registrar agrees to pay to UNR its proportionate share of such fees paid by UNR to ICANN. UNR will bill Registrar for such fees as set forth in this Section 5.~~
- 5.9. ~~**Non Payment of Fees.** Timely payment of fees owing under this Section 5 is a material condition of performance under this Agreement. In the event that Registrar fails to pay its fees within 10 (ten) business days of receipt of a past due notice, UNR may: (i) stop accepting new initial or renewal registrations from Registrar; (ii) give written notice of termination of this Agreement pursuant to Section 6.2 below; and (iii) pursue any other remedy under this Agreement.~~

~~6. TERM AND TERMINATION~~

- 6.1. ~~**Term of the Agreement; Revisions.** The duties and obligations of the Parties under this Agreement shall apply from the Effective Date through and including the last day of the calendar month sixty (60) months from the Effective Date (the "Initial Term"). Upon conclusion of the Initial Term, all provisions of this Agreement will automatically renew for successive five (5) year renewal periods until the Agreement has been terminated as provided herein, Registrar elects not to renew, or UNR ceases to operate the registry for the UNR Supported TLDs.~~

- ~~6.2. **Compliance and Termination For Cause.** In the event that either Party materially breaches any term of this Agreement including any of its representations and warranties hereunder and such breach is not substantially cured within thirty (30) calendar days after written notice thereof is given by the other Party, then the non-breaching Party may, by giving written notice thereof to the other Party, terminate this Agreement as of the date specified in such notice of termination. In the event that Registrar fails to comply with the terms of this Agreement, UNR may impose, at its election and after providing notice of breach to Registrar, graduated sanctions in lieu of issuing a termination notice, which sanctions may include limiting the ability of a Registrar (or a specific reseller of Registrar) to register new domain names or limiting the ability of a Registrar (or a specific reseller of Registrar) to update or modify records associated with Registered Names, or such other similar operational sanctions, until Registrar has become compliant with the terms of this Agreement. In the event that the cause of a Registrar's failure to comply with the terms of this Agreement is confined to the failure of a Registrar's reseller to comply, Registrar may, at its election, comply with the terms of this Agreement by terminating or suspending its reseller and assuming direct responsibility, if applicable, for any affected Registered Names.~~
- ~~6.3. **Termination at Option of Registrar.** Registrar may terminate this Agreement at any time by giving UNR thirty (30) days notice of termination.~~
- ~~6.4. **Termination Upon Loss of Registrar's Accreditation.** This Agreement shall terminate immediately in the event Registrar's accreditation for the UNR Supported TLDs by ICANN, or its successor, is terminated or expires without renewal.~~
- ~~6.5. **Termination in the Event that Successor Registry Operator is Named.** This Agreement shall terminate in the event ICANN designates another entity to operate the registry for all of the UNR Supported TLDs.~~
- ~~6.6. **Termination in the Event of Bankruptcy.** Either Party may terminate this Agreement if the other Party is adjudged insolvent or bankrupt, or if proceedings are instituted by or against a Party seeking relief, reorganization or arrangement under any laws relating to insolvency, or seeking any assignment for the benefit of creditors, or seeking the appointment of a receiver, liquidator or trustee of a Party's property or assets or the liquidation, dissolution or winding up of a Party's business.~~
- ~~6.7. **Effect of Termination.** Upon expiration or termination of this Agreement, UNR will, to the extent it has the authority to do so, complete the registration of all domain names processed by Registrar prior to the date of such expiration or termination, provided that Registrar's payments to UNR for Registration Fees are current and timely. Immediately upon any expiration or termination of this Agreement, Registrar shall (i) transfer its sponsorship of Registered Name registrations to another licensed registrar(s) of the Registry, in compliance with any procedures established or approved ICANN, as appropriate, and (ii) either return to UNR or certify to UNR the destruction of all Confidential Information it has received under this Agreement. In the event of termination, UNR reserves the right to immediately contact any and all Registered Name Holders to facilitate the orderly and stable transition of Registered Name Holders to other ICANN-accredited registrars. All fees owing to UNR shall become immediately due and payable.~~
- ~~6.8. **Termination for Non Payment of Fees.** Notwithstanding the provisions of Section 6.7 above, in the event that this Agreement is terminated because of Registrar's non-payment of fees, UNR shall have the first right, but not the obligation, to transfer~~

the sponsorship of Registered Name registrations to a wholly owned subsidiary of UNR, accredited by ICANN as a registrar.

- 6.9. ~~**Survival.** In the event of termination of this Agreement, the following shall survive: (i) 7, 8.1, 8.5, 8.6, 8.10 and 8.14 and (ii) Registrar's payment obligations as set forth in Section 5 with respect to fees incurred during the term of this Agreement.~~

~~Neither Party shall be liable to the other for damages of any sort resulting solely from terminating this Agreement in accordance with its terms but each Party shall be liable for any damage arising from any breach by it of this Agreement.~~

~~7. LIMITATIONS, WARRANTIES AND DISCLAIMERS~~

- 7.1. ~~**Limitation of Liability.** EXCEPT FOR A BREACH OF SECTION 8.10, IN NO EVENT WILL UNR BE LIABLE TO REGISTRAR FOR ANY SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES, OR ANY DAMAGES RESULTING FROM LOSS OF PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, EVEN IF UNR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.~~

~~EXCEPT FOR A BREACH OF SECTION 8.10 OR THE INDEMNIFICATION OBLIGATIONS OF SECTION 8.14, IN NO EVENT SHALL THE MAXIMUM AGGREGATE LIABILITY OF THE PARTIES EXCEED THE LESSER OF (i) THE TOTAL AMOUNT PAID OR PAYABLE TO UNR UNDER THE TERMS OF THIS AGREEMENT FOR THE IMMEDIATELY PRECEDING TWELVE (12) MONTH PERIOD, OR (ii) \$250,000 USD.~~

- 7.3. ~~**UNR's Representations and Warranties.** UNR represents and warrants that: (1) it is a corporation duly incorporated, validly existing and in good standing under the laws of the Cayman Islands, (2) it has all requisite corporate power and authority to execute, deliver and perform its obligations under this Agreement, (3) the execution, performance and delivery of this Agreement has been duly authorized by UNR, and (4) no further approval, authorization or consent of any governmental or regulatory authority is required to be obtained or made by UNR in order for it to enter into and perform its obligations under this Agreement.~~

- 7.4. ~~**Disclaimer of Warranties.** The EPP, APIs and Software are provided "as-is" and without any warranty of any kind.~~

~~UNR EXPRESSLY DISCLAIMS ALL WARRANTIES AND/OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY OR SATISFACTORY QUALITY AND FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS.~~

~~UNR DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE EPP, APIS OR SOFTWARE WILL MEET REGISTRAR'S REQUIREMENTS, OR THAT THE OPERATION OF THE EPP, APIS OR SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE EPP, APIS OR SOFTWARE WILL BE CORRECTED. It is expressly agreed by the parties that this Agreement shall not supersede the terms of the Registrar's registrar agreement with CentralNic (or the CentralNic Master Registrar Access Agreement).

21. Construction; Severability. The parties agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting Party shall not be applied in the construction or interpretation of this Agreement. Unless otherwise stated in this Agreement, references to a number of days shall mean consecutive calendar days. In the event that any clause or portion thereof in this Agreement is for any reason held to be invalid, illegal or unenforceable, the same shall not affect any other portion of this Agreement, as it is the intent of the parties that this Agreement shall be construed in such fashion as to maintain its existence, validity and enforceability to the greatest extent possible. In any such event, this Agreement shall be construed as if such clause or portion thereof had never been contained in this Agreement, and there shall be deemed substituted there for such provision as will most nearly carry out the intent of the parties as expressed in this Agreement to the fullest extent permitted by applicable law.
