## **RRA AMENDMENT**

As recently identified there are some mandatory obligations missing and some notes are obsolete in the existing RRA for .TIROL.

Aside from formatting changes, the most important updates include:

- adaptation of the .tirol third party beneficiary rights (see contract point 5.8)
- modification of the Uniform Rapid Suspension Provision (see contract point 5.13)
- addition of a further payee (see contract point 6.2 and 6.3)
- update of provision of contact notice (see contract point 10.1)
- update of business hours (see contract point 13.1)
- update of fees valid since September 2019 (info to ICANN was given) (see Exhibit A 3.-7)
- supplementing the Registry Service Provider of .tirol „RyCE GmbH“ as payee
- deletion of deposit (see Exhibit A 8.)
- addition of General Data Protection Regulation - GDPR (see Exhibit C)

We hereby submit the redline version of our revised RRA that reflects the modifications.

Yours sincerely

Dr. Markus Kichl
