RE: Identity Digital Inc. Registry-Registrar Agreement Updates

Dear Mr. Weinstein,

With the recent announcement that Donuts Inc. changed its name to Identity Digital Inc., registry operators Afiliis Limited, Binky Moon, LLC, Dog Beach, LLC, Dot Global Domain Registry Limited, Global Website TLD Asia Limited, and Monolith Registry, LLC (the “Registry Operators”) wish to update their shared Registry-Registrar Agreement (“RRA”) and accompanying Data Processing Addendum to replace any reference to “Donuts” with “Identity Digital.” As you can see from the attached redline of the RRA, the proposed changes to the document are simple edits exclusively related to the name change, and do not constitute “material revisions” under Section 2.9(a) of the Registry Agreements between the Registry Operators and ICANN for the top-level domains listed in **Exhibit A**.

We trust that you will find these immaterial changes acceptable. If you have any questions or concerns about our proposed changes, we are happy to discuss them with you at your convenience. Please direct any such questions or concerns to myself at [catherine@identity.digital](mailto:catherine@identity.digital).

Sincerely,

A handwritten signature in blue ink that reads 'Catherine Merdinger'.

Catherine Merdinger  
Corporate Counsel  
Identity Digital Inc.
