These notice periods shall not apply in the event Registry System is subject to the imminent threat of a failure or a material security threat, immediate implementation of ICANN temporary policies (Spec 1, Section 2 of the Registry Agreement), or the discovery of a major security vulnerability or a denial of service (DoS) attack where the Registry System is rendered inaccessible by being subject to (i) excessive levels of data traffic, (ii) unauthorized traffic; and/or (iii) data traffic not conforming to the protocols used by the Registry System, but Registry will use commercially reasonable efforts to provide notice as soon as practicable.

3.8.3. Where the sponsorship of a Registered Name is transferred from one ICANN-accredited registrar to another ICANN-accredited registrar, Registry will require the registrar receiving the sponsorship to request a renewal of at least one (1) year for the Registered Name. In connection with that extension, Registry will charge the applicable fee for the requested extension, based upon the registration fee applied to the domain name at the time of registration. The transfer shall result in an extension according to the renewal request, subject to a ten (10) year maximum on the future term of any domain name registration. The applicable renewal fee shall be paid in full at the time of the transfer by the ICANN-accredited registrar receiving sponsorship of the domain name.

3.9. Restrictions on Registered Names. Registrar acknowledges and agrees that this Agreement is non-exclusive and nothing in this Agreement prohibits Registry from engaging in or participating with one or more third parties in business arrangements similar to or competitive with those described in this Agreement.

11.2. No Third-Party Beneficiaries. The Parties expressly agree that ICANN is an intended third-party beneficiary of this Agreement. Otherwise, this Agreement shall not be construed to create any obligation by either Party to any non-party to this Agreement, including any Registered Name Holder. Registrar acknowledges that nothing in this Agreement, including those requirements in this Agreement that incorporate the Registry Agreement, shall confer upon Registrar the status of an intended third-party beneficiary to the Registry Agreement.

11.3. Relationship of the Parties. Nothing in this Agreement shall be construed as creating an employer-employee or agency relationship, a partnership or a joint venture between the Parties.

11.4. Force Majeure. Neither Party shall be liable to the other for any loss or damage resulting from any cause beyond its reasonable control (a **Force Majeure Event**) including or civil disorder, war or military operations, national or local emergency, acts or omissions of government or other competent authority, compliance with any statutory obligation or executive order, industrial disputes of any kind (whether or not involving either Party's employees), internet disruption or outage, fire, lightning, explosion, flood, subsidence, weather of exceptional severity, and acts or omissions of persons for whom neither Party is responsible. Upon occurrence of a Force Majeure Event and to the extent such occurrence interferes with either Party's performance of this Agreement, such Party shall be excused from performance of its obligations (other than payment obligations) during the first six (6) months of such interference, provided that such Party uses all reasonable endeavours to avoid or remove such causes of non-performance as soon as possible.

11.5. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

11.6. Amendments. Except as otherwise provided herein, no amendment, supplement, or modification of this Agreement or any provision hereof shall be binding unless executed in writing by both Parties or via electronic means save that any applicable Registry Policies may be updated from time to time and posted for review on its website and or the Registrar Console. 11.7. Waivers. Neither Party shall be deemed to have waived any claim arising out of this Agreement, or any power, right, privilege or remedy under this Agreement, unless the waiver of such claim, power, right, privilege or remedy is expressly set forth in a written instrument duly executed and delivered on behalf of such Party; and any such waiver shall not be applicable or have any effect except in the specific instance in which it is given.

11.8. Construction. The Parties agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting Party shall not be applied in the construction or interpretation of this Agreement. Unless otherwise stated in this Agreement, references to a number of days shall mean consecutive calendar days.

Further Assurances Each party hereto shall execute and/or cause to be delivered to each other Party hereto such instruments and other documents, and shall take such other actions, as such other Party may reasonably request for the purpose of carrying out or evidencing any of the transactions contemplated by this Agreement.

11.10. Severability. In the event that any clause or portion thereof in this Agreement is for any reason held to be invalid, illegal or unenforceable, the same shall not affect any other portion of this Agreement, as it is the intent of the Parties that this Agreement shall be construed in such fashion as to maintain its existence, validity and enforceability to the greatest extent possible. In any such event, this Agreement shall be construed as if such clause or portion thereof had never been contained in this Agreement, and there shall be deemed substituted there for such provision as will most nearly carry out the intent of the Parties as expressed in this Agreement to the fullest extent permitted by applicable law.

11.11. Entire agreement. This Agreement including documents incorporated by reference constitutes the entire agreement of the Parties hereto pertaining to the accreditation of Registrar and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written, between the Parties on that subject.

11.12. Dispute resolution. The Parties shall attempt to first resolve any dispute or controversy between the Parties arising out of or in connection with this Agreement before resorting to formal arbitration. Any controversy or claim arising out of or relating to this or in connection with this Agreement, including requests for specific performance, shall be resolved exclusively through an arbitration conducted as provided in this clause 11.12 and pursuant to the UNCITRAL Arbitration Rules in force at the time. The arbitration shall be

The Parties shall bear the costs of the arbitration in equal shares, subject to the right of the arbitrators to reallocate the costs in their award as provided in the UNCITRAL Arbitration Rules. The Parties shall bear their own attorneys' fees in connection with the arbitration, and the arbitrators may not reallocate the attorneys' fees in conjunction with their award. The arbitrators shall render their decision within one hundred and twenty (120) calendar days' of the initiation of arbitration. The Parties shall also have the right to enforce a judgment of such a court in any court of competent jurisdiction. For the purpose of aiding the arbitration and/or preserving the rights of the Parties during the pendency of an arbitration, the Parties shall have the right to seek temporary or preliminary injunctive relief from the arbitration panel or a court located in England, which shall not be a waiver of this arbitration agreement.

11.13. Governing law and jurisdiction. This Agreement will be governed by and construed in accordance with English law and all claims and disputes (including non-contractual claims and disputes) arising out of or in connection with this Agreement, its subject matter, negotiation or formation will be determined in accordance with English law. Each Party irrevocably submits to the exclusive jurisdiction of the English courts in relation to all matters (including non-contractual matters) arising out of or in connection with this Agreement.

THE PARTIES hereto have caused this Agreement to be signed electronically and executed by their duly authorized representatives.
